

STANDARD COUNT FORM

Name: _____ Location: _____

Date: _____ Start Time: _____ End Time: _____

Weather: _____ (sun, clouds, rain, wind, temp (hot, cold, fair))

Count all bicyclists, pedestrians and others who cross your screen line. Tally them under the appropriate category below.

- Count for 2 hours in 15-minute increments.
- Count bicyclists who ride on the sidewalk and on the street.
- Count the number of people on the bicycle (including children in carriers), not individual bicycles.
- Pedestrians include people in wheelchairs or using other assistive devices, children in strollers, etc.
- People using equipment like skateboards or rollerblades are tallied in the "Other" category.

	Bicycles		Pedestrians		Others (please note equipment used)
	Female	Male	Female	Male	
00 - 0:15					
0:15 - 0:30					
0:30 - 0:45					
0:45 - 1:00					
1:00 - 1:15					
1:15 - 1:30					
1:30 - 1:45					
1:45 - 2:00
