

MANUAL J & D SUBMITTAL FORM

The submitted ACCA Manual J and D have been reviewed and agreed upon by both the preparer of the ACCA manual J and D and the installing HVAC contractor as being a correct representation of the work to be completed. A copy of the submitted and approved ACCA manual J and D will be left on site, at the thermostat location, by the installing HVAC contractor for the duration of the project. Failure to comply will result in a failed inspection.
