What is the Sidewalk Repair Subsidy Program?
The Sidewalk Repair Subsidy Program is adopted by the City Council to assist low and moderate income home owners by completing necessary repairs in conjunction with the City of Des Moines Sidewalk Repair Program. Only residential properties where the owner resides are eligible.

- You must apply for Sidewalk Repair Subsidy within one hundred eighty (180) calendar days of the date of the NOTICE TO REPAIR SIDEWALK (Driveway approaches are not included in this program).

Who Is Eligible For Assistance?
You are eligible if you apply for the subsidy within the specified timeframe listed above, and meet both of the following requirements:

1. You must be either the property owner or the contract buyer, and live at the property at the time the Notice to Repair Sidewalk is issued. The property includes only the land around the home within the single parcel as identified for tax purposes by the Polk County Assessor.

2. The adjusted annual income (as defined below) of your household does not exceed the following limits based upon your household size:

What Is My Adjusted Annual Income?
Your adjusted annual income, which is determined as follows:

ADJUSTED ANNUAL INCOME equals HOUSEHOLD INCOME (gross) minus HOUSEHOLD ADJUSTMENTS (A-I below)

HOUSEHOLD INCOME is the total of all income received by the household members residing at the property. It includes the gross income received by all members of the household during the last twelve (12) months. This income includes any wages, unemployment compensation, pensions, Social Security, interest, dividends, board, rentals, public assistance, or any other means of income. Child support received (or difference) is not included. People paying rent (such as where a person is renting space within the owner's home) are not considered household members, and these people's income is not considered as household income. However, the rent paid by these people to the property owner is considered as household income.

HOUSEHOLD ADJUSTMENTS are the total of the following adjustments as they apply to your household:

A. Medical expenses which exceed 7.5% of the total household income and are not covered by insurance are deducted.

B. Income received from a non-profit child-placing agency for care of one or more children placed in property owner’s home is deducted. Occupational expenses not compensated by property owner’s employer are deducted. Expenses paid for the care of children or disabled household members in order for the property owner or spouse to maintain employment are deducted.

C. The income of household members (other than property owner or spouse) that are under the age of 18, full-time students, or disabled or handicapped is deducted.

D. The first three hundred dollars ($300) of spouse's income is deducted.
E. Three hundred dollars ($300) for each dependent of the property owner is deducted, who lives at this property and meets one of the following criteria:
   - Under the age of 18
   - Disabled or handicapped (regardless of age)
   - Full-time student

F. Non-recurring income, such as an inheritance is deducted.

G. Five percent (5%) of the household income is deducted if the property owner and/or spouse are under the age of 60. If the property owner and/or spouse are 60 years old or older ten percent (10%) of the household income is deducted.

EXAMPLE: Adjusted Annual Income Calculation
Household has 5 members as follows:
   - Property Owner is 50 years old w/salary of $32,000
   - Spouse is 50 years old w/salary of $20,000
   - 20 years old non-student child w/salary of $10,000
   - 18 years old student child w/salary of $3,500
   - 16 years old student child w/salary of $2,000

Household Income equals $67,500

The allowable Household Adjustments are as follows:
   - 5% of Household Income: $3,375
   - $300 for each dependent: 600
   - $300 of Spouse's Income: 300
   - Income of the two students: 5,500

Total Medical Expenses: $11,650
   - Minus Insurance Covered expenses: 5,000
   - Minus 7.5% of Household Income: 4,200

Equals Household Medical expense adjustment: 2,450

Total Household Adjustments: $12,225

ADJUSTED ANNUAL INCOME equals HOUSEHOLD INCOME minus HOUSEHOLD ADJUSTMENTS:
   $67,500 - $12,225 = $55,275

The Adjusted Annual Income for the example household was $55,275. This amount is less than the income guideline limit for a household size of five (5) as shown in the table on page one. Therefore, the example household qualifies for Sidewalk Repair Subsidy, and the City of Des Moines would complete all of the necessary sidewalk repairs for this property.

How Much Will Subsidy Pay And How Much Must I Pay?
If the property owner meets the above program requirements, the City of Des Moines will complete all of the necessary repairs for your property. You will not be required to pay for any of the repair costs.

When and Where Do I Apply for Sidewalk Repair Subsidy?
Only the property owner or contract buyer can apply for sidewalk repair subsidy. For assistance in filling out the application form, please call or visit the City of Des Moines, City Hall.

You will need to provide verification of all income received on a regular basis. A copy of your most current Federal Income Tax return and or pension, social security benefits and interest on savings must be provided with the application. Statements made on the application must be sworn to and are subject to verification by the City of Des Moines Engineering Department. If you have any questions or need additional program information, call Rose Olson at 515-283-4231.
