RE: Electronic Bidding Documents

Dear Contractor,

Effective Tuesday, March 17, 2020, at 5:00 p.m., all Engineering bidding documents will only be available via the City's website at: <https://www.dsm.city/ProjectBidInfo> until further notice.

This change is in accordance with the City Hall offices being closed to the public starting at 5 p.m. today due to the coronavirus. In the interest of protecting the health and safety of our residents, visitors, contractors, and employees, and following the guidance of the Iowa Department of Public Health, the City of Des Moines is closing public access to its buildings, including City Hall, starting at 5 p.m. today until further notice. While the coronavirus (COVID-19) situation continues to rapidly change, City staff will work to ensure essential municipal services are maintained as much as possible. Many services will continue to be available via phone, email and the City's website.

If you have any questions, please contact engbids@dmgov.org or call 515-283-4573.

Sincerely,

Steven L. Naber, P.E.
City Engineer
