Preamble

This Agreement entered into by the City of Des Moines, Iowa hereinafter referred to as the “City” and the Des Moines Police Bargaining Unit Association, hereinafter referred to as the “Union” has as its purpose the promotion of harmonious and cooperative relations between the City and the Union.

Article I
Recognition

Pursuant to and in accordance with all applicable provisions of the “Public Employment Relations Act” of the State of Iowa, hereinafter referred to as the “Act” and in recognition of the Public Employment Relations Board’s certification of said Des Moines Police Bargaining Unit Association, the City does hereby recognize the Union during the term of this Agreement for all permanent employees of the City included in the “Unit Classifications” as listed in Appendix “A” of this Agreement.

Article II
Non-Discrimination

In accordance with applicable City Ordinances, State and Federal Law, the Union and the City agree not to discriminate against any employee on the basis of race, ethnicity, color, age, religion, sex, national origin, sexual orientation, and physical and mental disability.

Disputes concerning this Article shall not be processed through the Grievance Procedure in this Agreement, but shall be resolved through other appropriate procedures such as the City’s Internal Complaint Procedure, the Des Moines Human Rights Commission, or the Iowa Civil Rights Commission.

Article III
Union-Management Relations

All formal negotiations or bargaining with respect to the terms and conditions of this Agreement shall be conducted by authorized representatives of the Union and such authorized representatives of the City.

Agreements reached as a result of such negotiations shall become effective only when signed by the authorized representatives of the parties.

Article IV
Management Rights

Except as specifically modified by this Agreement, the employer shall have, in addition to all powers, duties and rights established by constitutional provision, statute, ordinance, charter or special act, the exclusive power, duty and right to:

(1) Direct the work of its employees.
(2) Hire, promote, demote, transfer, assign and retain employees in positions within the agency.
(3) Suspend or discharge employees for proper cause.
(4) Maintain the efficiency of governmental operations.
(5) Relieve employees from duty because of lack of work or other legitimate reasons.
(6) Determine and implement methods, means, assignments and personnel by which City operations are to be conducted.
(7) Take such actions as may be necessary to carry out the mission of the City government.
(8) Initiate, prepare, certify and administer its budget.
(9) Exercise all powers and duties granted to the City by law.

**Article V**

**Union Representation**

Section A. Bargaining Committee

The Association may appoint a bargaining committee to represent the bargaining unit in all formal negotiations and/or discussions with the City representatives. The Committee shall not exceed five (5) in number including the Chief Steward with up to three (3) designated alternates.

Section B. Stewards

To provide employees with reasonable access to Union representation, the Union may appoint certain employees to serve in the capacity of steward. Said steward may receive, investigate and process complaints or grievances of employees. When the nature of the grievance requires immediate action, i.e., irreparable harm to an employee, stewards may be permitted to leave their regular work area upon request to their supervisor. Such requests shall not be unreasonably denied.

However, if the workload is such that the supervisor must deny the request, the supervisor shall immediately make arrangements to notify the Chief Steward or a member of the bargaining committee of the need for a Union representative. Whenever a steward enters a work area for the purpose of investigating a complaint or grievance, the supervisor of that area must be so notified and informed of the nature of the problem.

Stewards shall suffer no loss of their regular pay for the normal work shift when properly excused by the supervisor. However, such time spent investigating grievances shall be kept reasonable and commensurate with the circumstances with the matter at issue. Normally, such time will not exceed one-half (1/2) hour at the first or second step of the grievance procedure and will normally require the attention of only one (1) steward.

Section C. Designation

The total number of stewards shall not exceed ten (10) and shall be designated by the Union in accordance with the following:

(1) One in the Detective Bureau
(2) One in the Homeland Security Bureau, Airport
(3) Two in the First Watch Patrol, Patrol Services Bureau
The names of all bargaining committee members and stewards shall be transmitted in writing to the Police Chief and the Human Resources Director. Union representatives may not act in the capacity until the above notifications have been made. Accordingly, all changes in designated representatives must be reported promptly.

Members of the bargaining committee may, upon their written request, be permitted to use “C” time (accumulated or borrowed) to attend regular meetings of the Bargaining Unit. Such requests shall normally be approved unless the temporary loss of personnel would be a serious detriment to the effective operation of the Police Department.

**Article VI**

**Work Rules**

The employer shall have the right to modify and/or establish such reasonable rules and regulations as may be deemed necessary by the employer for the conduct and management of the affairs by the City. All employees shall comply with the work rules. Any unresolved complaints as to the reasonableness of new or existing work rules, or any complaints involving discrimination in the application of such rules shall be resolved through the grievance procedure.

**Article VII**

**Hours of Work**

Section A. Patrol Services Bureau, Patrol Section

Each watch will be of ten (10) hours duration and will be scheduled as for roll call street tour and debriefing time.

Example: 2nd watch, roll call at 0600, street tour begins at 0615, end of street tour 1545, end of debriefing time 1600. During the ten (10) hour tour of duty, two fifteen (15) minute coffee breaks and one thirty (30) minute lunch break will be allowed at a mutually agreed time. Compensatory time will accumulate in fifteen (15) minute increments, at which time the member will be given twenty-two and one-half (22-1/2) minutes “C” time.

Section B. Other Hours

This work schedule is applicable to other watches, sections and units that work on a shift basis, and is not to be confused with office employees who are required to work from 0800 to 1700, Monday through Friday and have Saturdays, Sundays and holidays off.
Section C. Shift Bidding

The annual Shift Bid Process shall be administered no earlier than the last week of October and the first week of November each year. An announcement shall be made no later than two weeks prior to the Bid Process date.

Officers assigned to the Patrol Services Bureau will indicate their choice for Watch selection, District selection and Day-Off Rotation in writing on a Bid Form. Officers shall complete the form and return to a member of management to be designated annually (Exhibit 2). Officers who fail to complete the Bid Form and return it by the specified date, shall forfeit their Bid selection until the Bid process has reached conclusion, at which time that officer(s) shall be allowed to bid based on seniority for any remaining opening.

The rotations will be filled on the seniority based process. The Bid process will be conducted in the Roll Call Room and will be accessible to all employees. Officers shall indicate their first, second or third choice of rotation on their Bid Form. In the event those preferences cannot be accommodated, the officer will be contacted to make an alternative selection.

Officers shall make themselves available during the Bid Process by personal appearances or by verified phone contact. An officer who is unavailable and cannot be contacted for more than a twenty (20) minute time frame as witnessed by management and Union personnel shall forfeit his/her bid selection and shall be subject to Watch selection and Rotation selection at the end of the Bid Process based on the officer(s) seniority.

Seniority shall be the determining factor to determine Watch selection and Rotations. District assignment selection requests shall be accommodated to the extent practical considering “special duty” assignments and departmental efficiency.

Implementation of the annual Bid Process will be determined to the extent practical with operational efficiency and specified payroll periods and will be announced with the annual Bid Process announcement.

Article VIII
Overtime

Section A. Definition

Overtime is all time properly authorized and worked in units of one-quarter (¼) hour or more which is in excess of the regularly scheduled hours of work, as described below for an employee.

Section B. Procedure

All overtime work shall be held to a minimum consistent with efficient operation and provision of essential services. However, when overtime work is required, each employee is expected to be
available for such assignments unless excused by the supervisor, due to the personal commitments of the employee.

Permanent employees shall normally be given preference in overtime assignments. In all cases, however, overtime assignments will be made in such a way that the functions of the City service will be most effectively completed. All compensable overtime must be performed at the direction of the Police Chief or his authorized representatives, and overtime credit may be accrued for no other purpose.

For the purpose of computing overtime, vacation, holiday, and injury leave, and earned compensatory time off shall be considered the same as time worked, unless, the overtime work is done for the convenience of and at the request of the employees, in which case, the overtime shall be straight time rate.

The times when compensatory time off may be taken shall be at the discretion of the Police Chief, although the employee’s desires shall be given consideration whenever possible. When compensatory time off is ordered by the Police Chief or requested by the employee, reasonable advance notice shall normally be provided.

Section C. Compensation

Overtime work shall be compensated for in the following manner:

(1) All clerical, other administrative and office-based employees who work forty (40) hours per week shall receive compensatory time off at time and one-half for work performed in excess of their regular work schedule unless the City Manager in advance of the performance of such work has approved cash payment, therefore, at the rate of time and one-half.

(2) Employees shall be compensated at the discretion of the Police Chief either by compensatory time at time and one-half or by cash payment (X-Time) at the rate of time and one-half for work performed in excess of their regularly scheduled shift per day and outside their regular work schedule.

A. X-Time: X-Time is the time paid to an employee for overtime worked. X-Time will be paid in the following manner:

1. When an employee is called back to duty
2. When an employee’s work shift is extended more than three (3) hours past their regular shift
3. When an employee has been instructed to come in and work a previously scheduled day off and has not been given notification thirty-six (36) hours in advance.
4. On certain specified holidays, in accordance with employee agreements.
5. At other times when directed by the Chief of Police.
6. X-Time will not be paid during departmental training periods, nor during periods when travel and/or subsistence costs are being paid by the department.

7. Method of Computing: X-Time will be computed at one and one-half times the time worked under the above conditions. X-Time will be computed at double time on an employee’s second and subsequent regularly scheduled day off, and specific holidays as indicated in employee agreements.

3. Non-shift employees who are required to work on either a Sunday or Holiday shall be compensated at double-time for the hours actually worked plus their regular holiday pay.

Shift employees who are normally scheduled to work on either Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Years Day shall be compensated at double-time for the hours actually worked plus their holiday pay.

Shift employees who work the second day of their scheduled two days off shall be eligible for double time for the hours actually worked.

If an employee has worked ten (10) consecutive days, any days off canceled shall be compensated at time and one-half for the first scheduled day off and double time for the second scheduled day off. The 36-hour notification shall not apply. An employee shall have at least two consecutive days off before the 36-hour notification period again applies.

4. Compensatory Time. Each employee shall be allowed to accumulate at least 80 hours of compensatory time before being required to schedule “C” time off or to receive cash payment for overtime worked.

(a) An employee may carry 80 hours of accumulated “C” time without being required to take the earned time off. More than 80 hours of “C” time may be carried if authorized by the bureau commander.

(b) Employees having less than 80 hours of “C” time may opt to receive “C” time for overtime worked in lieu of cash payment when “X” time has been authorized. The employee’s desire to receive the “C” time instead of “X” time must be communicated to the supervisor by the employee.

(c) Employees having accumulated 80 hours or more of “C” time shall receive overtime compensation in the form of “C” time or “X” time at management’s discretion.

(d) Employees may not request “X” time pay when only “C” time pay is authorized, and they may not request “C” time when only “X” time pay in authorized. The final decision rests with the Chief of Police.

(e) Employees whose “C” time balances exceed 80 hours may be required, at the discretion of their supervisor, to schedule “C” time off to bring their balance back to 80 hours within a reasonable period of time.

5. Paid sick leave shall not count as time worked for the purpose of computing overtime. This shall apply only to clerical, administrative and office-based personnel who work a 40-hour
per week schedule consisting of five eight-hour days with two days off (5-2). Sick leave shall count as time worked for the purpose of computing overtime for all other bargaining unit employees.

Employees who volunteer to work an overtime assignment will be compensated at time and one-half for the hours actually worked regardless of being otherwise eligible to receive premium compensation such as double-time. Employees who are required to work overtime do so under the provisions of the labor agreement as affected by the above paragraph.

Article IX
Settlement of Disputes

Section A Procedures

The parties agree to act in good faith to resolve any grievance presented by an employee. Such grievances must be presented at the first (1st) step of the procedure within ten (10) working days of the incident-giving rise to the complaint.

Step I. The employee having a specific grievance shall take it first to his/her immediate supervisor. Such supervisor must respond within five (5) working days. Grievances submitted in writing will be answered in writing.

Step II. If the matter has not been answered or resolved, the employee shall then, within five (5) working days of the receipt of the Step I answer, present the written grievance to his/her section or bureau commander. The section or bureau commander shall respond in writing within ten (10) working days.

Step III. If the matter has not been answered or resolved, the employee shall then, within ten (10) working days of receipt of Step II answer, present the written grievance to the Police Chief, who shall respond within ten (10) working days.

Step IV. If the matter has not been answered or resolved, the employee shall then, within ten (10) working days, present the written grievance to the City Manager. He shall respond within twenty (20) working days.

Step V. If not answered or resolved, the grievance may be submitted to Arbitration within ten (10) working days after the decision in Step No. IV, or if no decision has been timely made, said grievance may be submitted to arbitration by submitting written notice to the City Manager. Such notice shall specify the sections of the rules and regulations and/or the agreement alleged to have been violated. The parties shall promptly meet to attempt to agree on an arbitrator. If they are unable to agree, they will jointly request that the Iowa Public Employment Relations Board submit to the parties a list of arbitrators and, by alternately striking names, an arbitrator will be selected.
Section B. Limitations

The arbitrator shall not have the power to decide a grievance, which is a matter suitable for submission to the Civil Service Commission. Also, the arbitrator shall be without power to add to, subtract from or modify the terms of this Agreement, nor to make any decision in conflict with the laws of the State of Iowa or the ordinances of the City of Des Moines, Iowa.

The arbitrator’s fee and expenses shall be shared equally by the employer and the Union. However, each party shall be responsible for compensating their own representatives and witnesses as well as paying for necessary transcripts of the proceedings if desired.

The failure of the employee to appropriately present the grievance within the specified time limits shall render the matter resolved and not subject to further appeals. All written grievances must be signed by the affected employee(s). Employees are entitled to representatives of their own choosing at all steps in the grievance procedure.

When necessary in investigating and settling grievances, employees and their representative, if employees of the City, shall be released from work without loss of pay for a reasonable time provided the supervisor is given sufficient advance notice to adjust work schedules.

All time limits contained in this article may be extended by mutual agreement.

Article X
Probationary Period

All original and promotional appointments shall be subject to serving a probationary period equaling no less than the maximum provided by Iowa law.

(1) It shall be the responsibility of the Police Chief at any time during the probationary period to reject a probationer if his/her conduct, capacity, moral responsibility, integrity, or work performance is found to be unsatisfactory.

(2) Termination of an employee during the probationary period results from such recommendation of the Police Chief.

(3) If action is not taken by the Police Chief to report to the probationary employee that he/she has not qualified for permanent status before the close of business of the last day of the probationary period, the employee shall be considered to have satisfactorily completed the probationary period and have acquired permanent status.

(4) A permanent employee who vacated a position to accept a probationary appointment to a class in a higher level and who is rejected during the probationary period shall be reinstated in his/her former position.
Article XI
Performance Appraisals

Section A. Use and Purpose

It is agreed that an employee performance evaluation shall be used for the purpose of improving an employee’s individual performance, acknowledging an employee’s accomplishments, and to provide an opportunity for an employee to improve in a designated area of sub-standard performance prior to any disciplinary action being taken.

Section B. Procedure

The parties agree that any evaluation appraisal system used by the City be carried out in a uniform manner. The following are the provisions of this system:

(1) The Chief of Police shall provide for an annual evaluation of all permanent employees in the department in achieving the standard of work performance required. This evaluation shall include a discussion between the employee and his/her immediate supervisor for the purpose of determining goals and evaluating progress toward better performance and personal development. A memorandum record of the results of these discussions shall be forwarded to the Chief by the Supervisor on forms prescribed. The supervisor who has been in charge of said employee the greater length of time in the evaluation period shall complete and sign the evaluation form.

(2) Wherever in the Personnel Rules, reference is made to “satisfactory performance” or “standard performance”: this shall be determined by the Chief based on the evaluation form submitted by the supervisor.

(3) Each employee shall be given a copy of the evaluation form prepared by his/her supervisor regarding his/her progress.

(4) Every employee evaluation report shall be signed by the employee.

Section C. Appeal

In the event an employee disagrees with the performance evaluation received, the employee may request a meeting with his/her supervisor involved and the next level supervisor. The purpose of that meeting will be to discuss the area(s) of disagreement. The immediate supervisor may, at his/her discretion, revise the original evaluation as a result of such discussion.

Section D. Restrictions

Written memos of oral warnings and written reprimands will cease to have any force and effect and will be removed from the employee’s personnel file twenty-four (24) months after the effective date of the last reprimand. All such documents will remain a part of the employee’s file until completion of a twenty-four (24) month period without any reprimand.
Article XII

The following eleven (11) paid holidays will be observed by the Unit:

Section C. Holidays Occurring on Weekends

1. Non-Shift Employees. Holidays which fall on a Saturday will be observed on the preceding Friday. Holidays which fall on a Sunday will be observed on the following Monday.

2. Shift Employees. The above noted holidays shall be observed or recognized on the actual day on which they are nationally observed regardless of the day of the week, i.e., holidays which fall on Saturday will be observed on that day only. (There will be no carryover to Friday or Monday.)

3. In the event the employee’s birthday falls on one of the other recognized holidays, it will be observed at some later date with the approval of the Police Chief.

4. 10-hour Employees: Employees working a ten hour shift shall be credited with 90-hours of Holiday time compensation, prorated when needed, not to exceed the amount of 8-hours for each holiday remaining in a partial year. Section D. Additional Christmas Holiday

When Christmas falls on Tuesday, Wednesday, Friday or Saturday, in addition to the legal holiday observance, the preceding workday shall also be observed as a holiday. When Christmas falls on

Article XIII
Leaves

Section A. Military Service

Military leave will be provided in accordance with applicable state and federal legislation.

Section B. Jury Duty, Conferences and Other Meetings

Employees on jury duty will receive their normal pay for regular workdays spent on a jury panel. The employee shall submit the payment received from the court to the City Treasurer’s Office, less any amount included for travel allowance or expense reimbursement. Any employee on a jury panel shall return to work for the balance of the day when excused for the day by the court.

Employees may, upon written request, be excused from work to attend various conferences and official meetings regarding City business. Attendance at such meetings will be considered as time on duty, provided the proper advance approval is obtained.

Section C. Leaves of Absence

(1) Emergency Leave

(a) In case of death in the “immediate family,” a permanent employee may be granted a leave of absence with pay up to seven (7) calendar days by the Police Chief. “Immediate family” is defined as spouse, child or parent.

(b) In the case of death in the “family,” a permanent employee may be granted a leave of absence with pay up to four (4) calendar days by the Police Chief. “Family” is defined as father-in-law, mother-in-law, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, grandparents, spouse’s grandparents, and any other relative living in the same household.
(c) If the situation warrants an extension, the Police Chief may grant up to an additional three (3) calendar days. A written explanation of any such extension must be filed with the City Manager.

(2) Educational Leave Without Pay

Permanent employees interested in further professional training may, with the consent of the Police Chief and the City Manager, obtain an educational leave. Such leave is without pay. A single leave may not be for more than twelve (12) months.

(3) Leave of Absence Without Pay

The Police Chief, with the approval of the City Manager, may grant leave of absence without pay. A single leave of absence may not be for more than twelve (12) months.

Leaves of absence, except military leave, of over thirty (30) calendar days shall result in an “adjusted start date” for purposes of vacation accrual, longevity payment and adjustment to “anniversary date” for merit salary increases to account for the lost service time.

Section D. Absence Without Leave

If an employee shall, without proper authorization, be absent from duty, whether for part or all of a working day or for a longer period, such absence may be grounds for disciplinary action or discharge. Absence without leave for any three (3) full duty shifts during a contract year may be considered cause for automatic termination of employment.

Article XIV
Vacation

Section A. Eligibility

All permanent full-time employees who have completed twelve (12) months of continuous service shall be eligible for vacation leave upon accrual.

Continuous service shall be terminated by resignation, dismissal, or retirement. If an employee so terminated receives a subsequent reappointment, no credit will be given for the period of service prior to the termination. Continuous service shall not be considered broken if an employee:

(1) Is on military leave of absence and returns to City employment in accordance with Federal and State Law.

(2) Is on authorized leave of absence or on a temporary suspension without pay. However, no credit shall be allowed for time for employees suspended or on leave without pay for over thirty (30) consecutive calendar days, and additional time equal to the loss of service must be served to qualify for vacation.
(3) Is on medical disability retirement as the result of a job related injury or illness.

Section B. Accrual

Vacation leave shall be accrued as follows:

(1) Vacation leave for all permanent, full-time employees with less than seven (7) years of continuous service shall be at the rate of eighty (80) hours for each twelve (12) months of active City service.

(2) Vacation leave for all permanent, full-time employees who have completed seven (7) years or more of continuous service, but not more than twelve (12) years, shall be at the rate one hundred twenty (120) hours for each twelve (12) months of active City service.

(3) Vacation leave for all permanent full-time employees who have completed twelve (12) years or more of continuous service, but not more than nineteen (19) years, shall be at the rate of one hundred sixty (160) hours for each twelve (12) months of active City service.

(4) Vacation leave for all permanent full-time employees who have completed nineteen (19) years or more of continuous service shall be at the rate of two hundred (200) hours for each twelve (12) months of active City service.

(5) Probationary employees and employees on provisional appointments shall accrue vacation during probationary and provisional periods, but shall be ineligible for such vacation until they become permanent employees and have completed twelve (12) months of service. In the event of their separation prior to their permanent appointment and completion of twelve (12) months of service, they shall be ineligible for terminal vacation.

(6) However, accrual schedules shall be offset by “adjusted start date” to account for lost service time as outlined in Article XIII, Section C (3) Leaves of Absence Without Pay.

Section C. Administration

Vacation leave shall be administered as follows:

(1) All vacation leave and schedules shall be determined and approved by the Police Chief and filed in the prescribed manner with the Human Resources Director. The Police Chief will approve or disapprove such vacation leaves with regard to the department’s operating requirements and responsibilities and, where practicable, with regard to the requests and seniority of the employee. It is expressly understood that the final right to approve or disapprove the vacation period is exclusively reserved by the Police Chief in order to ensure the orderly and efficient performance of services.

Requests for first choice vacation leave shall be submitted no later than November 30th; requests for second choice vacation leave shall be submitted no later than December 15th.
Any additional day off requests and Special Assignment adjustments, not to include first choice and second choice vacation requests, shall be due December 15th and shall be scheduled after all first and second choice vacation requests are scheduled. Requests shall be scheduled by seniority.

Vacation Leave scheduling is defined as continuous days scheduled to include the employees normal scheduled days off should they choose in which time earned as vacation time under this article is accrued and utilized.

(2) Vacation leave shall be charged as used in amounts of not less than one (1) hour.

(3) When a holiday occurs during an employee’s assigned vacation and the employee is regularly entitled to the holiday, it will not be counted as part of the vacation time.

(4) Vacation must be taken within a twelve (12) month period after the completion of the year in which it is earned unless written authorization extending this period is obtained from the Police Chief and City Manager.

(5) In the event of a transfer of an individual to a different bureau or section, after the individual’s vacation schedule has already been approved, that vacation schedule will not be changed unless mutually agreed upon. However, if the transfer is at the employee’s request, this provision shall not apply.

(6) In the event a vacation leave is split, taken at more than one time, the second and third choices shall be determined by the individual’s seniority within the squad or unit.

(3) Any employee shall continue to accrue sick leave while on any other compensated (paid) leave.

Section B. Usage

Such emergency is normally considered to cover only one 24-hour period. Thus, a maximum of 8 hours of sick leave could be authorized. However, up to a maximum of 10 calendar days may be approved in cases involving hospitalization for a “serious” or life-threatening condition and up to one full day for outpatient testing which involves “serious” medical conditions.

In individual cases, if there is a sufficient reason to believe the employee may be abusing the sick leave privilege, the employee shall first be advised by an interview of the reasons of sick leave. If the employee leave pattern continues, a medical certificate will be required for all absences of sick leave and the employee will be advised in writing that all future requests for sick leave must be supported by an acceptable medical certificate. Abuse of sick leave shall be cause for disciplinary action up to and including dismissal.

Section D. Separation

No payment for unused sick leave credit shall be made upon separation from City employment except in cases of retirement or death of a permanent employee of the City, as prescribed hereinafter. In the event of the employee’s retirement, which meets the requirements of the applicable Federal or State Statutes, or his/her death, the employee or his/her beneficiary shall be paid fifty (50) percent of his/her daily salary based on his/her salary rate at the time of his/her retirement or death for each full day of unused sick leave credit the employee has accrued, provided, however, that the maximum unused sick leave to be compensated for at the rate of fifty percent (50%) is limited to 1,500 hours, except that those employees who have a balance of 1,300 or more hours as of July 1, 1981 shall not be affected by the maximum.

Article XVI
