Action Requested by Applicant:

___ Informational Presentation: Applicants are encouraged to make an informational presentation to the URDB to obtain an initial reaction and direction before undertaking detailed design. This consultation is optional; it is an informal session to discuss siting issues, the surroundings, design concepts and gain insight on creating a successful project.

___ Initial Approval and/or Recommendation: Applicant may obtain initial approval and/or recommendation by presenting schematic design information and details.

___ Final Approval and/or Recommendation: Applicant may obtain final approval and/or recommendation by presenting final project details. The project must have had an informational presentation or an initial approval recommendation with the Board prior to this final review/recommendation. This step may be waived at the discretion of the staff or Board.

**2019 PUBLIC PROJECT
APPLICATION FOR URBAN DESIGN REVIEW BOARD
City of Des Moines, Iowa**

Materials to be Submitted by Applicant

Submit materials to Erin Olson-Douglas (eodouglas@dmgov.org) for review by end of business on the 12th calendar day in advance of the meeting.

Please try to submit as much of the information as possible, as it is critical to the Board’s evaluation process. It is understood that certain project details may not be fully determined when a Board review is requested (final budget, schedule, materials, etc.). The goal is for the Board to review projects at a stage of development where there is opportunity for meaningful input into the design process.

Board Presentation

The applicant is encouraged to consider the use of various graphic presentation material including a location map, photographs, renderings/model, scale drawings of the proposal in context with adjacent buildings/uses/signs, etc., as may be deemed appropriate to describe the project. These materials may be presented using electronic media or standard boards.

The Board is very interested in the appearance and design quality of projects. Emphasis should be given to the site plan, landscape plan, lighting plan, building elevations, exterior building materials, color scheme and graphics.

Agendas are sent out prior to the meeting. Meetings are held at 7:30 am in the City Council Chambers unless otherwise noted.
