MEETING TO BEGIN AT 1:00 PM IN THE 2ND FLOOR BOARD ROOM WITHIN THE CITY’S MUNICIPAL SERVICE CENTER AT 1551 EAST MARTIN LUTHER KING, JR. PARKWAY, DES MOINES, IA 50317.

The Zoning Board of Adjustment has the power under Iowa law and the Zoning Ordinance of the City of Des Moines (City Code Chapter 134) to hear requests and make decisions on matters such as Variances and Exceptions from the regulations in the Zoning Ordinance, Conditional Use Permits, Special Permits, and appeals of the decisions of City staff in the administration of the Zoning Ordinance.

MEETING PROCEDURE:

The meeting is an open and informal meeting that is recorded and broadcast on DMTV Mediacom Cable Channels 7.1 and 7.2. The Board members receive copies of the agenda and staff recommendations before the meeting. Copies of the agenda and staff recommendations are available to the general public.

The Board is required to base its decision on each case upon the criteria established by law for the type of relief sought by the applicant. The law applicable to each case is identified in the written staff report. If the facts, as determined by the Board, demonstrate that the criteria established by law for granting the request have been satisfied, then the Board must grant the request. Otherwise, the Board must deny the request. All speakers are requested to focus their comments upon those facts that demonstrate whether or not the criteria established by law have been satisfied. All material used as part of any presentation must be submitted as a part of the permanent record and will not be returned.

Items listed on the Consent Public Hearing Items portion of the agenda will not be individually discussed and will be considered for approval in accordance with the recommendation in the staff report unless an individual present or member of the Board requests that the Item be removed from the Consent Public Hearing Items portion agenda and separately considered under the Non-Consent Public Hearing Items portion of the agenda. Each appeal will be announced in the order it appears on the agenda and then City staff will present a brief explanation of the appeal. Any written comments received by staff prior to the hearing will be distributed to the Board for review.

All speakers are requested to speak from the podium and to start their presentation by giving their name and address. After staff introduces a request, the appellant or a representative of the appellant is allowed to speak first, and will be allowed ten minutes to present the appeal. Anyone else present in support of the appeal will then each be allowed five minutes to present their comments. Anyone present in opposition to the appeal will then be allowed five minutes each to present their comments. The appellant/representative will then be allowed three minutes for rebuttal or other closing comments. The hearing will then be closed to public comment and the Board will make a decision. The decision and the reason will be announced.

The Board has 7 members. It takes the affirmative vote of at least 4 members to grant any appeal or request, regardless of the number of members actually present at any meeting. If 5 or fewer members of the Board are present when the Chair calls an Item, the applicant may request that the Item be continued until the next monthly meeting to have the opportunity to present the matter to a full Board. The request should be made as soon as the Chair calls the Item and before the staff report is given. The Board has discretion to grant or deny any such request. If a continuance is granted, there is no guarantee that more members of the Board will be present at the next meeting.

Following the meeting, any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board, or bureau of the municipality, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board.

The City of Des Moines is pleased to provide accommodations to disabled individuals or groups and encourages participation in City government. To better serve you, please contact City staff at least three business days in advance when possible at 515-283-4209, or visit the Zoning Board of Adjustment’s website at http://www.dmgov.org/government/boards/ZoningBoardofAdjustment.

Proposal: Installation of four (4) freestanding signs along the Dickman Road frontage, with a cumulative 61.58 square feet of signage area, including two (2) 4.20-fall tall by 4.83-foot wide (20.29 square feet) electronic display signs each atop a 1-foot tall metal base and two (2) 4.2-fall tall by 2.5-foot wide (10.5 square feet) electronic display signs each atop a 1-foot tall metal base. These signs would serve as menu boards for the restaurant’s drive-thru but would be visible from Dickman Road.

Appeal(s): Variance of three (3) freestanding signs over the maximum allowed one (1) freestanding sign. Variance to the definition of “sign, freestanding monument”, which requires any freestanding sign to have a minimum 2-foot tall solid opaque base, constructed of brick, stone, concrete block or other durable material matching the exterior of the primary building and extending from grade to the bottom of the sign face across the entire width of the sign face.

Required by City Code Sections 134-951(3), 134-3(definition of sign, freestanding monument), & 134-1276(p)(4)
