PLAN AND ZONING COMMISSION RULES AND PROCEDURES

1. The Plan and Zoning Commission is generally an advisory body to the City Council. The City Council will hold a public hearing and make the final decision on all matters before the Commission other than Site Plans and Subdivision Plats, unless denials or conditional approvals thereof are appealed. Please contact the City Clerk or Community Development Department staff for details on Council hearings.

2. Applicant will be given 10 minutes to present the request.

3. Proponents and then opponents from the public are then allowed to speak in that order, with each speaker allowed a maximum of 5 minutes.

4. Applicant is then allowed five (5) minutes for a rebuttal.

5. The hearing will then be closed and the Commission will discuss and vote on the issue.

6. All comments are to be germane to the item under consideration and speakers are to maintain a courteous manner.

7. Items listed on the consent portion of the agenda will not be individually discussed and will be considered for approval in accordance with the recommendation in the staff report unless an individual present or member of the Commission requests that the item be removed from the consent agenda and considered separately under the public hearing agenda.
